The Elden Ring Game, a fantasy action RPG developed by DONTNOD and based on the animated series 'Tarnished Prince' of the same name (for PS4™ /PS Vita™ . The Elden Ring Game is set in the land of Forgottensaga, a land where dragons exist. There, an ancient tower called the Elden Tower was believed to be the source of all powers, and at that time, it was called the Light's End Tower. Twenty years have passed since then, during which the tower's belief has

gradually become stronger, and a noble family was built around the tower. During that time, the noble family gained an incredible amount of power. The protagonist becomes a young man of noble birth during a war between the two rival families, and ends up being forced to choose one of the two sides when he enters the Light's End Tower. The player can take charge of him using the role of a character creator at the beginning of the game and has the opportunity to choose his portrait. The protagonist can equip weapons, armor, magic, and tools, and freely

change his appearance in accordance with the characters that he meets. This game is also available on the Japanese PS4™.

Elden Ring Features Key:

Characteristics based on the Lands Between

- A fantasy World that does not exist on our own planet
- A story influenced by the world between the earth and the sky.

Classic RPGs is here again! The fight of two factions called 'Elden Lords' has been going on for thousands of years. Learn to wield the powers of the Elden Ring and take part in the fierce struggle. The human race, ancestral elves, and devas have declined. From hard-lit lands...

Story introduction:

200 years ago the human race was wiped out by the shape-shifting Elden Lords, turned the earth into the Elden Ring, and changed man into a race of slave-serving devas. In the

warm mesic lands between the earth and the sky, the Elden Ring collapsed, its fade-protection abrogated, and the divine beings turned back into flesh. Centuries have passed.

Locations:

- The Lands between Heaven and Earth
- The Indo-European Region

A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. To find new people, resources, and experience the dangers of unexplored areas, you can expand your range of movement by allying with other players. Travel and trade with others in the form of “quests” and “hunts” via a “travelling group” system. Use the new world map, the max 4 squares in each direction in all areas

Single Online:

- Localized Online PvP Game Even while you are out of the game in offline mode, your character’s turn and job status will not change. You will not be penalized for your actions in other players’ on-line turns while you are just out of game. The opposing party will not be able to

powerful and well-known, but that does not mean I can do any special things or easily kill anyone. The easiest way is to help you. So, I'm here to help you. I will be here forever. No matter how many times you save the Canteen, the Lord of Destruction, the Heir of Destruction, or any other hero who's been defeated, the Lord of Destruction will still show up and attack you, and you will have to defeat him over and over again to gain his money. It's very frustrating. You will be forced to save the Canteen again, and this time, you must use a different

method to save it. Don't get frustrated and save the Canteen before each and every time you battle the Lord of Destruction. If you save the Canteen more than 5 times, you can automatically upgrade the Canteen to the next level. ◆SALVAGING THE CANTEEN (HIDDEN ELDER) ◆Chiagu ◆Coldcloud ◆Feng ◆SALVAGING THE CANTEEN (HIDDEN ELDER) ◆Chiagu ◆Coldcloud bff6bb2d33
